Experience year

15+ 

Partnership with
WATTS (USA)

100+ 

Projects

10+ 

Engineers

2 

Key areas
Water Treatment &
Automated Filling and
Packaging

20+ 

Hospitals &
Medical Facilities

50+ 

Factories &
Industrial Zones

1000+ 

Satisfied customers

RESEARCH & DEVELOPMENT

Strategic partner

Technology transfer from
WATTS WATER
TECHNOLOGIES (USA)

Research & Testing

Optimizing solutions
suitable for Vietnam's water
sources

Technology Integration

Automation - IoT
smart operational
management

Training

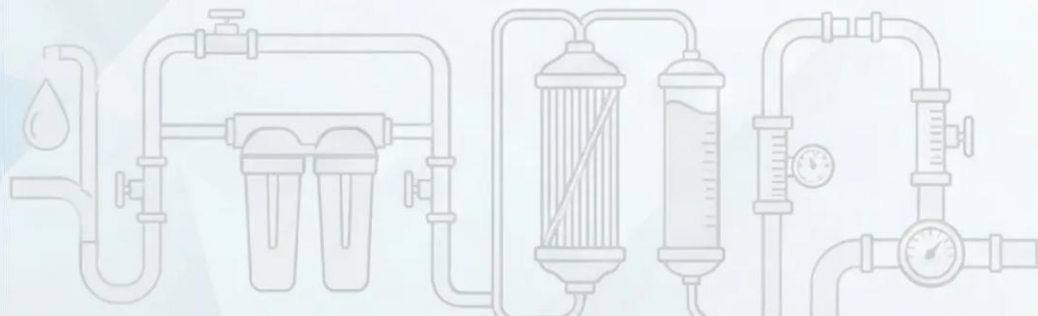

Updated technology

COMPREHENSIVE SOLUTIONS – SUPERIOR QUALITY

WATER TREATMENT SYSTEMS

- Ultrapure water for electronics, semiconductors, and pharmaceuticals
- Medical water systems, dialysis machines
- Domestic water and direct drinking water

AUTOMATION SYSTEM

- Filling – Bottling – Packaging
- Packaging and production lines
- Customized solutions to meet specific requirements

WARRANTY & AFTER-SALES POLICY

COMMITMENT TO LONG-TERM PARTNERSHIP

Manufacturer's warranty

Imported equipment: 12-24 months
Installed systems: Maintenance every 6 months

24/7 technical support

Hotline: 0934 363 579
Available during holiday

Lifetime maintenance

Genuine parts and components

Operation training

Detailed guide – updated with the latest technology.

HIGHLIGHT PROJECTS

HEALTHCARE SECTOR

- Medical water treatment systems for hospitals
- Water systems for hemodialysis machines
- Ultrapure water solutions for operating rooms
- Water treatment systems for medical facilities

INDUSTRIAL SECTOR

- High-capacity bottling and filling lines
- Water treatment solutions for industrial zones
- Production automation systems
- Automatic packaging lines

100+ PROJECTS OF ALL SIZES SUCCESSFULLY IMPLEMENTED

IMAGES OF PROJECTS

Hệ thống xử lý nước công nghiệp

Thiết bị y tế chuyên dụng

Dây chuyền tự động hóa

Đội ngũ kỹ sư chuyên nghiệp

Hệ thống giám sát SCADA

Nhà máy sản xuất hiện đại

PERSONNEL

10+ ENGINEERS

Extensive experiences

SYSTEMATIC TRAINING

- Receive systematic training and access to international technology
- WATTS (USA) technology experts
- Updated knowledge according to international standards

CULTURAL

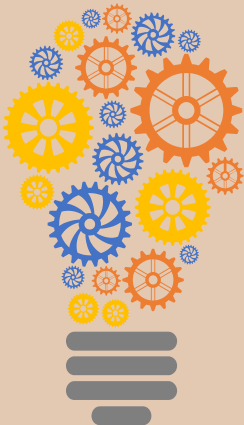

- Professional – highly responsible
- Commitment to the best service quality
- Dedicated to customer satisfaction

WHY LONG THINH??

RELIABLE PARTNER – SUSTAINABLE SOLUTIONS

20 years of
practical
experience

Technology
transferred from
WATTS (USA)

Optimal,
Cost-Effective
Solutions

Fast technical
support – Long-
term after-sales
service

Accompanying clients from consultation → operation
